

8th Legislative District Rules

ARTICLE I: VOTING

1. Each member of the 8th LDCC shall be entitled to one vote, regardless of the number of offices that member holds, unless a proxy is given to that member.
2. The outcome of any election must be challenged before the adjournment of the meeting in which a vote has been taken. If the election is not challenged before the adjournment, the election will stand as certified.
3. All members of the 8th LDCC (as defined in Bylaws under “Membership”) shall have an equal vote. In the event that any member shall be an officer or hold any additional position with the 8th LDCC that carries a vote, the member shall nevertheless have only one vote in all affairs of the 8th LDCC.
4. Voting by proxy shall be permitted in accordance with the following rules:
 - a. All proxies must be in writing, and either signed by the member or accompanied by a signed letter attesting to the wishes of the member, and designating who will vote the proxy.
 - b. No person will hold more than one uninstructed proxy.
 - c. Proxies are nontransferable.
 - d. In order to vote an uninstructed proxy, the holder must register the proxy with the Secretary of the 8th LDCC before a vote is taken
 - e. All specific and instructed proxies must be registered with the Secretary before a vote is taken, and shall be tallied for inclusion in the final vote count.
 - f. The holder of the proxy must reside in the 8th LD.
5. An actual vote count (“division”) may be called for from the floor by any member after a voice vote if the member doubts the claimed outcome of the vote and before another motion has the floor.
6. When 8th LDCC members cast written ballots, secret balloting shall be used, provided that there is a mechanism to ensure, prior to voting, the eligibility of those who cast ballots (e. g., a check list, sign-in sheet, ballot receipt, separate seating area, etc.)

ARTICLE II: DUES:

The Executive Committee shall be empowered to assess dues, and to rescind dues to be paid by 8th LDDO members as defined in Bylaws under “Membership”. Dues assessments shall be ratified by majority vote of the members of the 8th LDCC present, including proxies, at any general meeting of the 8th LDDO. Dues shall be equal for all members; however their payment or lack of payment cannot be used to determine a member’s standing or rights in matters of the 8th LDCC. Proposals for dues assessments will describe the intended purpose of the dues, and stipulate the time-period over which the dues apply (e. g., annual).
